

Think you're getting the best deal on your waste and recycling programs? Think again.

Think Green.®

Introducing *Waste Management Healthcare Solutions*: your single, national resource for managing all your healthcare facility's medical-waste, solid-waste and recycling programs more cost-efficiently than your current supplier.

Waste Management Healthcare Solutions offers:

- Customized solutions for managing multiple medical-waste streams
- Maximum cost savings through volume reduction and efficient processing
- Single point of contact to address all of your environmental needs
- Regulatory-compliant programs designed to minimize your ongoing costs
- Environmental liability indemnification backed by FORTUNE 200 company
- Guaranteed reliability and satisfaction for every service we offer
- Safe and responsible programs that enhance your facility's image

Don't sign a new contract until you talk to us.

Act now, before your current contract expires to make sure you're getting the best deal for your facility. Approximately six months prior to expiration, our specialists in recycling, solid waste and medical waste will conduct a no-obligation Waste & Recycling Survey of your facility to determine:

- The efficiency of your facility's multiple waste-related operations
- Your operational effectiveness from a holistic, supply-chain perspective
- The exact nature of your facility's specific waste-related challenges
- How your processes can be enhanced to lower volumes and costs

Once we have evaluated your solid-waste, medical-waste and recycling processes, we will offer you customizable program options that include:

- On-site medical-waste treatment equipment
- Reduced manifesting
- Consulting services
- Equipment purchase alternatives
- Rental plans that require no capital outlay
- Installation, maintenance and operations services
- San-I-Pak installation sized to fit your specific needs

On-site San-I-Pak installation
